

AquaTray™

INSTRUCTIONS FOR USE

Assembly:

1. Hook leg into sliding grid area. Place AquaTray over the edge of spa.
2. Hold the folding leg against the inside of the spa and push the sliding leg toward the spa until it presses firmly against the outside of the spa. The spring latch will automatically lock into place.
3. To detach, depress spring latch, pull the sliding leg away from the spa and remove. Leg folds down for easy storage.

In addition to your spa, the AquaTray may be used on a variety of furniture styles.
